

Always be kind and be yourself.

I have been teaching in the Nashua School District since 2018. I live with my husband, a lieutenant firefighter in Manchester, my daughter, Reese and my son, Rowan. We have 2 dogs. I love to teach, kayak, paint, craft and read!

This year, we will be plenty busy with Eureka Math, Lucy Calkins writing, Mystery Science, social studies, Foundations Reading, Choose Love SEL lessons, and MUCH MORE!
